We are excited to announce an amazing prize available in the return of the Ricmotech Sports Car Series! One lucky series driver will win a gift certificate for five hot laps in a Super Car of their choice at the Exotics Racing facility at the Speed Vegas Motorsports Park.

This amazing prize experience includes:

- \$299 Gift Certificate covering the full cost of:
- Driving and Safety classroom instruction
- 2 Track Discovery Laps with a Professional Racing Instructor in a Porsche SUV
- Drive FIVE LAPS in a Premium Supercar with an In-Car Professional Instructor
- Choose from these Premium Supercars: Ferrari F430 F1, Lamborghini Gallardo, Porsche GT3, Nissan GTR, Mercedes AMG GTR, Audi R8 V10 Plus, Corvette C8, Acura NSX, or Ford Shelby GT500.

The winner of this prize will be determined in a random drawing after the final race of the 2022 season. Every series driver with a valid driver's license (and who otherwise meets the criteria of the Exotics Racing program) is eligible to win the drawing for this prize. Each series driver will earn one "entry" into the drawing for every point they earn in the Ricmotech Sports Car Championship Points. For example, a driver who earns 35 points in Monday night's first race will earn 35 entries into the drawing. This means that even a driver who finishes last in the championship points has a shot at winning the prize! Drivers must complete in three or more of the Monday night rounds to be eligible for the final drawing.

If you have not yet registered for the Ricmotech Sports Car Series, it's not too late!
